

SWEET WINES

SPARKLING  
SWEET  
MALVASIA

D.O.C. COLLI PIACENTINI

ESSENCE  
OF  
OUR LAND

**SPARKLING SWEET MALVASIA  
D.O.C. COLLI PIACENTINI**

**GRAPE VARIETY**

This varietal wine is made from white Malvasia di Candia grapes, cultivated in the winery's Collinetta vineyard.

**VINIFICATION**

The whole cluster grapes are soft-pressed immediately after picking. The sparkling quality is obtained in the steel pressure resistant vats where the alcoholic fermentation takes place.

When the wine reaches a 7% alcohol content, it is cooled, thus blocking the fermentation, and maintaining a high sugar content.

**ALCOHOL CONTENT**

7% vol.

**SENSORIAL ANALYSIS**

Pleasantly sweet and very aromatic.

**PAIRING**

Pairs well with all desserts and goes very well with strong cheeses.

**SERVING TEMPERATURE**

8 - 10° C
